Fit Guide

Athletic: shorter sleeves, narrow through shoulders, slightly shorter length, trimmer chest (may want to size up, depending on body type) - Example: FootJoy Athletic Fit

Standard: regular cut throughout, not too big or too small (choose your normal size) – Example: Adidas

Traditional: slightly larger cut most brands are known for (choose your normal size) – Example: FootJoy “regular” fit.

Full: fits up to one size larger than standard/traditional (if you normally wear a large, a medium would fit)

Example: Donald Ross Classic Collection
