

## KEEPING YOU SAFE AT OUR DEMO DAY

Welcome to Wilson Demo Day! Your health and safety and the health and safety of our fitting specialists is of paramount importance to us. For this reason, we ask all participants to adhere to the following rules:

- Pre-booked appointments will be given preference over walk-ins.
- Hitting bays will be set up a minimum of six feet apart.
- All golf clubs will be sterilized and disinfected between each use.
- We kindly ask you to refrain from touching any fitting equipment without first consulting your Wilson fitting specialist.
- Please use the provided hand sanitizer both before and after your fitting.
- Please avoid handshaking or other personal contact of any kind.
- Golfers must use their own phone to register, using the QR code to receive any free item that may be available.
- Wilson representatives reserve the right to reschedule any fitting, at any time, for any reason.

**Thank you for your understanding and cooperation.  
We look forward to having a great Wilson Demo Day experience with you!**
